

Donor Honor Roll

Your business can be recognized at our event!

The second annual North American Fishing Challenge is an international, app-based tournament held across the U.S. and Canada, benefitting Adult & Teen Challenge. This event was inspired by the successful Minnesota Fishing Challenge, which has raised \$2.6 million to date in fundraising efforts. The North American Fishing Challenge will be held on June 18, 2022, where anglers of all ages and skill levels can fish in their local fishing hole and designate which center will benefit from their fundraising.

All funds raised will go to Adult & Teen Challenge and their mission to help individuals struggling with drug and alcohol addiction. Through sponsorships and donations from businesses and individuals, we predict this tournament will raise more than \$300,000 during this second year!! Anglers will be rewarded for their fundraising efforts with the chance to win thousands of dollars in prizes. One team in the tournament will win a Lund boat with a full electronic package from Minn Kota and Humminbird.

A special honor roll will be available for donors (businesses or individuals) who give at one of four different levels. You will receive special recognition and benefits, including being featured on the event website. Donors may also choose to be anonymous.
